TIGRA

A modern, compact bathroom interior. On the left, a white toilet is positioned against a wall with wood paneling. Above the toilet is a window covered with blue horizontal blinds. To the right of the toilet is a wooden vanity unit with a white pedestal sink and a chrome faucet. Above the sink is a large mirror. The vanity unit has wooden cabinets with dark vertical panels. A small trash can is on the floor next to the vanity. A glass shower enclosure is visible on the far right. The room is well-lit, and the overall design is clean and functional.

DETAILS

TIGRA is a 38 m (Inc. Bowsprit) Motorsailer Gullet which is now offered for sale from her first owner. She was built in 2008 to plans made by the famous designer Ken Freivokh. TIGRA is a seaworthy vessel that will take her owner anywhere safely and comfortably. Her 8.2 m beam is offering large interior space and vast deck areas. The interior includes large saloon and 5 cabins for 10 guests. Her Master Cabin has special arrangement to double its space using a sliding door, large VIP cabin is located at the fore and two good size guest cabins. Each of the cabins has its own en-suite. TIGRA is powered by 2 X 440 hp MAN engines super economic and with low hours. Her technical list includes two generators from Kohler, Water maker, Bow thruster, powerful air-conditioning system and much more...
